

Art Discipline Merit Scholarships

UNIVERSITY of WISCONSIN
GREEN BAY

The Art Discipline annually awards scholarships to declared Art Majors who will remain Art Majors at UWGB. All scholarships are open to full-time students with a number of these also available to part-time students. The Dell Memorial Photo Award is available to students in any major. Scholarships are awarded based on artistic merit and the number of scholarships awarded varies from year to year, with the value of individual scholarships generally ranging from approximately \$200 - \$4000. Students who have earned 27 or more UWGB upper-level studio art credits before the scholarship award year are not eligible for art scholarships. Students graduating in the fall of the scholarship award year will receive the entire scholarship fall semester instead of divided between fall and spring semesters of the award year.

Artwork from UWGB students should come from UWGB art classes or UWGB @ Sheboygan, Manitowoc, or Marinette. Students currently enrolled and pursuing an Associate of Arts and Sciences Degree with an Area of Study in Fine Arts (Art, Arts Management, Design Arts) from the satellite campuses are not UWGB "Art Majors" and so not qualified to apply for Art Merit Scholarship. These students are eligible to apply for Fine Arts Foundation Scholarships and other financial aid from the UWGB satellite campuses.
