THE WORK MAY BE A BAND TRANSCRIPTION/ARRANGEMENT OR AN ORIGINAL SOLO WORK WITH WIND ENSEMBLE ACCOMPANIMENT. PROOF OF AVAILABILITY OR SCORE/PARTS MUST BE INDICATED ON THE APPLICATION. The conductor/musical director reserves the right to substitute a concert piece if the accompaniment is not of an acceptable quality. Rental works that cost in excess of \$300 for score/parts will not be accepted. The jury and conductor of the Lakeshore Wind Ensemble reserve the right to disqualify a contestant if the literature performed is not of highest artistic/musical quality. Although performance from memory is not required, contestants are encouraged to do so. Disqualification will result if any copyright violation is discovered. Three judges' copies must be provided at the time of audition. Capriccio by Mike Forbes will not be accepted because of a recent performance.

Scholarship Awards: All scholarship awards are unrestricted and may be used for any educational purpose. The award presentation will be made directly to the first place and second place winners on the evening of the March 4, 2023 concert of the LWE.

Judges: Judges for the contest are respected professional woodwind, brass, percussion, and piano specialists/artists. Each judge will provide contestants with written comments at the end of preliminary and/or final auditions. Any judge having a family, teaching, or professional relationship with

a contestant must declare that relationship and abstain from voting on that individual performance. The decisions of the judges are final.

General: Each contestant is responsible for verifying and confirming on the application that wind ensemble score and parts are available for works to be auditioned, and must furnish the name and address of the publisher or other source on the application form. Contestants may forfeit their right to audition and winners may forfeit their awards if their chosen work is not published or is unavailable at the time of the audition for the solo instrument and wind ensemble/band accompaniment. Confirmation of its availability must be made prior to the audition date. Each contestant is also responsible for being on time for all scheduled events. Any contestant who is late will be moved to the end of the schedule. A piano accompaniment is recommended. Each contestant must provide his/her own accompanist. Winners must perform with the LWE on its March 4, 2023 concert, or will forfeit the scholarship award.
