Whistling Straits (Irish Course) N8501 Lakeshore Road

Whistling Straits is located 15 minutes northeast of the Village of Kohler. A throwback to the raw freshness of Ireland sculpted into the Wisconsin coastline, Whistling Straits offers two courses: The Irish and The Straits.

Just inland from the great lake and interspersed by four meandering streams, the grassland-and-dunes aspect of the Irish Course is a deceptively tranquil landscape. Both traditional and memorable, the Irish Course is full of unique challenges.

Directions:

From The American Club, exit driveway left (north) onto Highland Drive (also known as Cty Y.) Proceed 7.5 miles north to Cty FF. Turn right (east) onto Cty. FF and proceed two miles to the Whistling Straits entrance.

From I-43 north or southbound, exit 128 east. Proceed east and take the first left - North 40th Street becomes Dairyland Drive, four miles north to Cty FF. Turn right (east) onto Cty FF, proceed one mile to Whistling Straits entrance.

How does my participation help my community?

The UW-Sheboygan Foundation is a non-profit organization founded in 1979 to support the students, programs, facilities and activities of the University of Wisconsin-Sheboygan campus through fund development and advocacy. Since 1979, the Foundation's board of local citizens has worked hard to identify sources of support for the campus and its students.

Each year, as a result of various fundraisers like this Golf Outing and individual donations, the UW-Sheboygan Foundation is able to provide more than \$100,000 annually in scholarships to local students to help defray tuition costs at UW-Sheboygan. The Foundation also provides several thousand dollars in annual support to the UW-Sheboygan campus for campus improvements, faculty professional development and campus programming.

Your participation in this Golf Outing and any additional donations will help the Foundation to continue to help local students achieve their dreams of a college degree and to help UW-Sheboygan continue to be a resource for higher education in the Sheboygan County community.
