

## DID YOU KNOW?

The majority of text books are available for purchase in an accessible digital format at the bookstore. You may benefit from purchasing the digital book; as the book has a built in reader, can search out key words, highlight and take notes right in the book. You can also download the book to your mobile device. Please do not purchase a hardcopy of the book if you require Digital Books (E-Text). Also, if the bookstore doesn't have a digital copy, please contact our office at [sas@uwgb.edu](mailto:sas@uwgb.edu) or (920) 465-2841. We may be able to find a digital copy elsewhere.

Below are the three ways the bookstore lists books digitally:

**REQUIRED**

## Working in Teams

**\$34.00 to \$85.00**

This Means the textbook is required for the class in any format. (new, used, or digital)

These mean that there is a digital copy of the textbook available. (Digital copies of the text give different features. For example, listen to it as an **audiobook** as well as **highlighting** and **adding notes**)

Look and see if there is an option to either buy or rent a digital copy of the book. For this copy you can pick to either buy the book or rent it. It also gives you the option to rent it for 90, 120 or 180 days.
