

## Diversity and Equality Committee

The meeting minutes for Nov. 2nd. University Union. Student Association Suite 112h. 2:00 p.m.

"Senator Jeremy Green introduced himself as a new Student Senator. Senator Green is a sophomore political science major."

"The resolution regarding global initiatives and opportunities was written and will be forwarded to the Speaker of the Student Senate for Senator vote and hopeful passage at the next Student Senate meeting." The resolution requests university faculty, staff, and student support."

"The committee discussed options for the diversity synopsis, and determined it would be more beneficial to include the questions in the Student Govt. Association Survey. This will allow students to focus specifically on a smaller amount of questions...which will increase student participation in the survey."
