Resolution in support of the UW Green-Bay Administrative decision to prohibit the concealed carry of weapons in all campus buildings consistent with the 2011 Wisconsin Act 35

Whereas the safety and perception of safety for all members of the campus community is the highest priority at UW-Green Bay, and

Whereas a safe and secure campus is an absolute prerequisite for effectively carrying out the University's mission, and

Whereas UW-Green Bay's longstanding weapons-free policy has always served the campus community well in these regards,

Therefore, be it resolved that the students of the University of Wisconsin- Green Bay commend and support our administration in its decision to maintain weapons-free campus buildings by posting appropriate signage.

Vice - President

Speaker of the Senate
