RESOLUTION TO CREATE GLOBAL INITIATIVES AND OPPORTUNITIES

WHEREAS: The University of Wisconsin-Green Bay advocated connecting the university to the international community.

WHEREAS: The University of Wisconsin-Green Bay provides several opportunities to study abroad and welcomes students from around the globe.

WHEREAS: The Office of International Projects exists to further international opportunities and initiatives.

WHEREAS: The student Body of the University of Wisconsin-Green Bay is generally unaware of these opportunities and initiatives, due to a lack of promotion, and visibility.

THEREFORE, BE IT RESOLVED: The Student Govt. Association's Diversity and Equality Committee, in partnership with the Office of International Projects proposes the creation of a regular newsletter for students, comprised of global information, initiatives, and opportunities, as well as monthly global issues discussion for and by the students, faculty, and staff.
