Any topic which is requested to appear before the Court in a regular meeting must be submitted to the Chief Justice, in writing, two (2) business days before the weekly meeting. ~~Meeting Minutes will be taken by the Justices in a rotating order.~~ Minutes will be posted and distributed so necessary corrections can be made in time for approval at the next meeting of the Student Court.*

The associate justice charged with the task of taking the minutes of each meeting will be selected by the chief justice and shall serve in that role for the duration of his/her term on the Court. In the event that the associate justice is unable to attend a Student Court meeting, the chief justice will select another associate justice to take the minutes of said meeting.*
