Call meeting to order - **6:00pm**

6:00-6:15pm The Student Court tested the online voting program. We found no bugs.

6:15-6:30pm Discussed campaign infractions: Presidential/Vice-Presidential Candidates Hansen and Toyne's video advertisement lacked an "Authorized and paid for" statement

Motion to require to Phalsh TV to add "Authorized and Paid for" statement on video advertisement – Justice Canilho-Burke

Seconded – Justice Alvarez

2-1-0 motion passes: Justice Alvarez will address Phlash TV

6:30-6:45pm Discussed questions raised by Presidential Candidate Koepke:

Candidates are allowed to distribute fliers on the sidewalks adjacent to Residential Life buildings, and outside academic buildings.

6:45-7:05pm Discussed whether the SGA advertising for Child Care referendum infringed election rules.

Holding:

Seeing as the SGA is not a "person", and that SGA election rules apply solely to persons citing their positions within student organizations, the SGA can legitimately advocate the yes position on the referendum. This advocacy is further supported by a unanimous consent to author the current language of the referendum by the Student Government Senate.
