Art Major with Emphasis in Studio Art
Upper-level Focus Graduation Plan

This form is filled out in consultation with your Art Advisor and emailed by your advisor to the Registrar: registrar@uwgb.edu

Approved courses will appear in your upper-level Academic Requirements after you have registered for a class. The Plan should be completed during your junior year. This form ensures that SIS will properly direct your upper-level courses.

Refer to the Studio Art Major Check Sheet for a list of courses. Upper-level courses have 300 or 400 designations. A plan includes a focus of at least 9 credits (3 courses) taken in one studio area. Advanced studios may be taken up to three times.

Changes in this plan must be approved by your Art Advisor and emailed to the Registrar so that your Academic Requirements can be updated.
