Top Employers of Our Graduates

Graduates are hired across Wisconsin and the U.S., representing a diverse group of organizations by industry and employer size. This is a select number of organizations that have consistently hired multiple UW-Green Bay graduates*.

*Five or more hires over a four-year period (2013 - 2016).

For a more complete list of employers hiring UW-Green Bay graduates, please refer to summary reports for each First Destination Survey:

Career/Major Analysis of Responses

Recent graduates across all career areas/majors have found success. The table on the back panel details response rate, employment status, continuing education status, and the percentage of graduates earning at least $30,000 for several groups of majors, based on First Destination Survey responses from 2013 - 2016. For complete details about current and previous First Destination Survey results, including a breakdown analysis by major, navigate to http://www.uwgb.edu/careers/first-destination.asp.

Our Graduates Succeed!

First Destination Survey Results from 2013 - 2016

CAREER SERVICES
First Destination Survey Overview

UW-Green Bay Career Services conducts an annual First Destination Survey to determine the post-graduate status of the bachelor's degree candidates. This publication provides highlights of a comprehensive analysis of more than 5,000 graduates between 2013 - 2016. This analysis shows that the majority of graduates have found success.

Survey Knowledge Rate:
3,700 of 5,080* Graduates.............73.0%
* Number of Graduates reported by the UW-Green Bay Registrar’s Office between 2013 - 2016.

Post-Graduation/First Destination Status Summary
Currently employed ..............................................................74.5 %
Pursuing graduate school/continuing education .................9.8 %
Currently employed and continuing education ...............12.1 %
Still seeking employment ....................................................2.0 %
Still seeking employment and continuing education .........0.3 %
Not currently seeking employment ....................................0.8 %
Active military service with/without employment .............0.4 %
Active military service and continuing education ............0.1 %

The National Association of Colleges and Employers (NACE) has taken the lead to benchmark First Destination Surveys from colleges and universities across the U.S. A complete NACE summary report of First Destination Surveys submitted by NACE members can be found here: www.nacweb.org/job-market/graduate-outcomes/first-destination/

For complete details about the First Destination Surveys at UW-Green Bay (including a breakdown analysis by major) navigate to http://www.uwgb.edu/careers/first-destination.asp.

Over 55% Hired Before Graduation
56% of the graduates from 2013 - 2016 answered “Yes” for the question “Did you accept your position prior to graduation?” Of those employed, only 10% indicated accepting their positions six to 12 months after graduation.

POSITION ACCEPTANCE

- Accepted before graduation: 56%
- Three to six months after graduation: 11%
- Up to three months after graduation: 22%
- Six to twelve months after graduation: 10%
- Not at all related: 17%
- Very related: 62%
- Somewhat related: 21%

A Closer Look at Graduate/Professional School Attendance
Over 22% of the graduates from 2013 - 2016 are pursuing additional education. They attended 280 different institutions spread across 43 different states, the District of Columbia, two Canadian provinces, the United Kingdom, the Netherlands, Taiwan, Germany and Denmark. Each year a significant number of graduates choose to pursue degrees in the medical/health sciences field and law. Since 2000, the following schools are the most frequently attended by respondents.

Top Health Programs and Medical Schools Attended
- Carroll University (WI)
- Concordia University (WI)
- Des Moines University
- Medical College of Wisconsin
- Midwestern University
- Northwestern Health Sciences University (Bloomington, MN)
- Palmer College of Chiropractic (IA)
- Rosalind Franklin University of Medicine & Science (Chicago, IL)
