Using the Resource Library on Handshake

The resource library is a place where you can view university news, industry news, and career search best practices.

1. To view items in this section, click on the Career Center tab located on the top of the page.

2. Click on Resources.
3. Browse through various items posted here and find one that interests you! You can just scroll through all of them as well.

4. Utilize the search bar to find specific resources like recorded programs, employer partners, and business card templates, etc.
