SCHREIBER FOODS

Awarded by Career Services at the University of Wisconsin – Green Bay

Presentation Remarks

The Recruitment Partner of the Year award is presented annually by UW-Green Bay’s Office of Career Services. Each year an organization or a community member is chosen for the recognition based on exceptional commitment to Career Services’ mission of creating learning opportunities for UW-Green Bay students in their field of study, through internships and other hands-on experiences. Schreiber Foods is the recipient for 2011.

There is a long and detailed relationship between UW-Green Bay and Schreiber Foods. Schreiber has participated annually in numerous events and programs with UW-Green Bay. This includes semester job fairs, on-campus interviews, class and student organization presentations, department meetings with faculty and special event participation as speakers and panelists. There has also been representation of Schreiber employees on various boards for the University throughout the years. In addition, Schreiber leaders have been long time friends of the University as well. On an annual basis it is estimated that 25 interns are UW-Green Bay students. 115 Schreiber partners have graduated and/or attended UW-Green Bay over the years.

The Recruitment Partner of the Year award was established in 2006 with the first recipient recognized in 2007.
