7) In the sections that follow, you'll be asked to provide information about yourself, your background, and your parents/guardians. Most of it is straight forward. This and the next two slides are to help you answer questions **when you get to the sections** asking for identification, parent/guardian and residency.

IDENTIFICATION: When asked 'Which form of identification can you provide', select only one:

Which form of identification can you provide?

Social Security Number Tax Identification # Do Not Want to Provide/Do Not Have

If you click this, you'll be asked for your 9-digit number

Don't worry about this--You probably don't have one of these

If you click this, you will get this message:

Why you should provide a TIN OR SSN

You are strongly encouraged to provide a Social Security Number (SSN) or other Taxpayer Identification Number (TIN) if you have one. If you have both, enter ONLY your SSN. Failure to submit a SSN or TIN could have the following consequences:

- A delay in the awarding of financial aid (**NOTE: international students are not eligible for state and federal financial aid**)
- An inability to claim tax benefits on your and/or your parents' tax returns for the tuition and fees you pay to attend college; and
- If you are a U.S. citizen or a permanent resident for U.S. tax purposes, the IRS may require you to pay a \$50 penalty.

While you are not legally required to provide your SSN or TIN for the purposes of this application, you will be required to do so if you attend a UW institution and you are a U.S. citizen or a permanent resident for tax purposes.

You don't need to worry about this. There are no tax or financial aid implications for high school dual credit students.
