

College Credit in High School (CCIHS) Adjunct Instructor

Professional Development Meeting/Activity

The professional development meeting/activity covers a topic of mutual interest or need in a manner that is agreeable to both the faculty liaison and the CCIHS instructor. The CCIHS instructor is to complete one professional development activity that connects with the instruction/curriculum prior to the end of their course. If the CCIHS instructor is attending/participating in some kind of professional development activity in their district, a workshop, etc., the liaison may approve this to fulfill the requirement as long as the activity relates back to the discipline that is being taught.
