College Credit in High School (CCIHS) Adjunct Instructor

Professional Development Meeting/Activity

Set up a professional development meeting/activity that covers a topic of mutual interest or need in a manner that is agreeable to both you and the CCIHS instructor. Please utilize technology to overcome physical distance. If the CCIHS instructor is already attending/participating in some kind of professional development, the liaison may approve this to fulfill the requirement. The topic must be discipline specific in focus.

CCIHS Instructor ___________________________ School ________________

Faculty Liaison ___________________________ Date ________________

Location ________________________________

Topic of professional development:

The topic relates to: (check all that apply)

☐ Course content
