# A MESSAGE FROM THE CHANCELLOR

GARY L. MILLER  
*Chancellor*

Greetings!

On behalf of the University of Wisconsin-Green Bay, it is my pleasure to welcome you to our campus for the Destination Imagination Wisconsin State Tournament, held on campus for the first time! We are excited for this new partnership and hope to provide competitors and guests with a memorable experience.

The skills you gained from preparing for this competition will help you become the leaders of the future. Your presence here demonstrates you are the change-makers who will work to improve our world.

UW-Green Bay is a university on the rise! We recently established Northeast Wisconsin's first and only school of engineering, the Richard J Resch School of Engineering. We are also in the process of launching new programs in Nursing, Freshwater Science, Fine Arts and other high demand areas. We also have a long legacy in established programs such as natural sciences, humanities, social sciences and many other high impact fields of study.

**If you are considering higher education, I encourage you to research more about UW-Green Bay. We would love to have you as part of our Phoenix Family!**

I know that you will enjoy your time on our campus and in the Green Bay community. Good luck in your competition!

Go Phoenix!

A handwritten signature in cursive script that reads "Gary L. Miller".

# SCHOLARSHIP RECIPIENTS

## 2019 WIDI Elaine House Alumni Excellence Award for College Students

Kaitlyn Ewe attends Concordia University in Radiologic Sciences. She has been involved with WIDI as a regional and Affiliate appraiser, Head Appraiser, Regional Challenge Master and Instant Challenge volunteer. Kaitlyn has also been an appraiser in Service Learning at Global Finals. Kaitlyn is a member of the Alumni Council and assists with WIDI's merchandise; she even hand crafts the graduation tassels our WIDI seniors receive. Kaitlyn is well deserving of a \$1,000 award.

## 2019 WIDI Dave Valentine Extreme Creativity Award for Graduating High School Seniors

**Michaela Blume** is a senior at Ashwaubenon High School in the Green Bay Area Region and has been involved with DI for 10 years. Michaela's team has been to Global Finals multiple times and she is currently on an Engineering team. Michaela's involvement in the engineering/structure challenge has inspired her to pursue an engineering degree in college. Michaela has been involved since 2015 with monthly fundraising paper drives for her district's DI program. Michaela is the recipient of a \$500 award.

**Kayden Rinzel** is a senior at Wauwatosa East High School in the Milwaukee Region and has been involved with DI for 9 years. Kayden has volunteered at her regional Instant Challenge Workshop since 2016 and helps elementary teams hone their instant challenge skills. Her team has been involved in raising money for a food pantry, addressing lead contamination in Milwaukee's drinking water and providing solar lights for impoverished families impacted by HIV in Uganda. Kayden is currently on a Service Learning team. Kayden is the recipient of a \$500 award.

## Vison

Inspire and equip participants to achieve anything they can imagine in life

## Mission

To engage participants in project-based challenges that are designed to build confidence and develop extraordinary creativity, critical thinking, communication, and teamwork skills

### New to DI? Welcome!

We're glad you're here! There's no better way to understand the Destination Imagination Challenge Experience than to see it in action. To get the most out of your day at this tournament, here's what we suggest:

- Attend at least one Presentation in every Team Challenge. Each Team Challenge is unique and has open-ended requirements, allowing teams to create totally different solutions from one another. Read through the Points of Interest so you know what you can expect to see. Each Presentation is around eight minutes in length.
- Wish the teams luck in their Instant Challenge. All of our teams participate in an Instant Challenge as part of their tournament experience, during which they use quick, creative and critical thinking, and teamwork to come up with a solution in a short amount of time. Spectators are not allowed in these presentations as the Instant Challenges themselves are highly confidential.
- Look at the props, costumes, sets, technical devices and more that the teams have created—but please don't touch! Remember that everything you see was crafted by the team members with no adult Interference.
- Talk to teams, parents and volunteers about their experience with this season of Destination Imagination. Tell them you're considering starting a team, and ask them to share their favorite thing about DI—you'll be amazed by the different answers you hear.
- Have fun, be inspired, and imagine the possibilities!
