Disability Services Office

VERIFICATION OF ACQUIRED BRAIN INJURY

The Disability Services Office provides services to students with diagnosed acquired brain injury. To determine eligibility for services, this office requires current comprehensive documentation of this disorder from a qualified diagnosing neuropsychologist, psychologist, neurologist or other licensed qualified professional currently treating the student.

Please Print Legibly

Student Name: _________________________________________________________________

Date Completed: _____/_____/_______ Student’s Date of Birth _____/_____/_______
