Roomcompact DISCUSSION - 2 months ago

Hello, and welcome to your Roomcompact Hub!

A few key features:

- Posts and replies are streamed to your Hub in **real time**.
- You will get **instant notifications** about replies to posts you have interacted with.
- Posts made by residents are visible to **all other Roomcompact users** on your campus.

**Note:** This is an automated resident post generated by the Roomcompact system. If you have questions or feedback about Roomcompact, use the "Support" section in your sidebar.

Add a comment...

### Agreement Helper

Make sure you start this process together with your roommates - it will help you and your roommates define some basic ground rules for your living space. This will help you all get along better together we promise!

Roomcompact Hub

Follow @Roomcompact

**Welcome to your Hub.**  
 Here, you can initiate and participate in discussions with other Roomcompact users at your institution in real time. If someone replies to you you will receive a notification at the top bar, allowing you to quickly write a reply. Simply leaving this page open will allow you to stay connected with other Roomcompact users in your institution.
