COVID-19 Vaccination Clinic
For UW-Green Bay Campus

UW-Green Bay students, staff and family members (ages 12 and older) are invited to receive the COVID-19 vaccine on-campus through Prevea Health.

**First dose of Pfizer**
**Sunday, Aug. 29**
8 a.m. to 4 p.m.
UW-Green Bay
Hendrickson Community Center

**Second dose of Pfizer**
**Monday, Sept. 20**
3 to 7 p.m.
UW-Green Bay
Hendrickson Community Center

To schedule an appointment:
Visit myprevea.com or call (833) 344-4373 and specify you are calling for your UW-Green Bay student vaccination clinic.

**Important**
- Appointments are recommended; limited walk-ins available.
- Please bring your insurance card; however, insurance is not required.
- Masks are required.
- There is no cost for the vaccine.
- Immigration status is not needed.
- Translation devices are available.
- You do not need to be a Prevea patient to receive a COVID-19 vaccine from Prevea through the UW-Green Bay COVID-19 Vaccination Clinic.
- Family members can get their second dose in their hometown.
- Individuals who are 12 to 15 years of age must have a parent/guardian present for both doses.
- Individuals who are 16 and 17 years of age are required to have parent/guardian consent to receive vaccination. If a parent/guardian cannot be present, a consent form must be signed and brought to both doses.
