

# ADMISSION TO UW-GREEN BAY

## OUR PHILOSOPHY

We seek the next class of resilient problem-solvers, fearless dreamers, fun-seekers and forward-looking achievers.

UW-Green Bay is invested in your future success. To determine your best start, we'll collect information about your academic and personal successes, involvement, skills and leadership.

## OUR COMPREHENSIVE REVIEW

All applications receive a comprehensive review. This means our admissions counselors consider all factors that influence a student's skills, motivation and readiness to learn. We value the academic achievements, activities, involvement and academic or personal hardships or successes that students share in an application.

## YOUR COMPLETE APPLICATION includes the following:

- UW System online application
- Official high school transcripts
- Optional: ACT or SAT scores

## WE EVALUATE YOUR APPLICATION BY REVIEWING THE FOLLOWING:

### Official high school transcripts

Minimum college preparatory units

*(one unit is typically one year of high school study)*

- English: 4 units
- Math: 3 units
- Science: 3 units
- Social Studies: 3 units
- Other electives: 4 units

### Rigor and GPA trends

Taking challenging courses throughout high school is one of the best indicators that a student will be successful at the college level. We will examine the trends over time and across subject areas.

### Application

Your application is where our admissions team gets a real sense of who you are and your story. It's the place in which you can share who you are outside of your academics, such as work experience, extracurricular activities, skills, interests, and goals. Ask your admissions counselor about preparing your application to put your best foot forward.

### Optional: ACT or SAT scores

Providing ACT or SAT scores is optional; students can be reviewed for admission to UW-Green Bay without providing test scores. Students can simply indicate that they do not intend to provide test scores while completing their online application. If a student chooses to provide ACT or SAT scores, they can be used for scholarship recipient selection, pre-requisites, major requirements and placement decisions.

If you have questions about your application and the pros or cons of providing scores, please contact our admissions office to connect with a counselor.

UW-Green Bay accepts ACT or SAT scores from the testing organization and/or from students' official high school transcripts.

## MANY PATHS TO UW-GREEN BAY

### Gateways to Phoenix Success (GPS) Program

Transitioning to college can be challenging – academically, physically and socially. GPS can help.

Gateways to Phoenix Success is a program that uses proven academic methods to ensure success for first-year students at UW-Green Bay. Students in GPS become part of a learning community with faculty, student mentors and advisors, and participate in academic and social programs. There is limited space in GPS because of the high level of support it provides. Learn more at [uwgb.edu/gps](http://uwgb.edu/gps).

### Your Success, Our Campuses

UW-Green Bay is committed to providing access to excellent education throughout Northeast Wisconsin. Students can attend campuses in Green Bay, Marinette, Manitowoc or Sheboygan with dedicated professors, hands-on opportunities and personalized learning. We want all students to start and finish as a Phoenix to meet their goals for their career, passion and interest. Your admissions counselor can help you find the right plan for you.
