

# University Police

---

The UWGB Police Department is a full-service law enforcement agency that oversees all law enforcement operations for the University of Wisconsin Green Bay and its four campuses (Green Bay, Marinette, Sheboygan and Manitowoc).

We are leaders in innovative problem-oriented policing. We value diversity and respect the dignity of all people. We uphold individual and constitutional rights and promote campus community wellbeing through collaborative approaches to ensuring safety.

Serving in partnership to support and facilitate the educational mission of UWGB, we seek to cultivate a campus environment in which all students, faculty, and staff are safe. As guardians on the UWGB campuses, we hold ourselves to high expectations, operating in a fair, unbiased manner which respects the rights and dignity of all individuals. We strive to always be better and do better.
