

EAT BETTER THIS YEAR!

Garden to Doorstep Organics

We are a local family business that will **DELIVER FRESH ORGANIC FRUITS AND VEGGIES** right to you **AT WORK EACH WEEK.**

Make a Resolution you can keep!
Let us help you.

Three Month Produce Resolution

Receive a weekly box for the next three months and get:

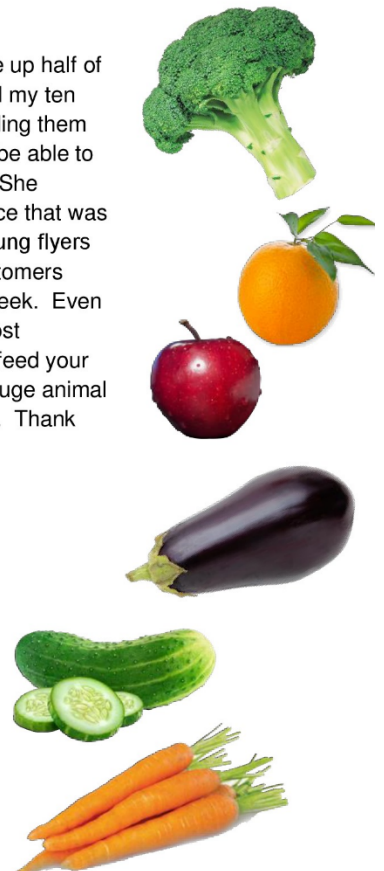

- A free fruit bowl your first week in addition to your first box
- A \$5.00 coupon each month to use for an add-on purchase
- After your 12th box, receive your next box completely free.

(That is a \$70.90 to \$88.90 dollar value free, just for participating in the "Three Month Produce Resolution").

But that is not the biggest value you will receive. The biggest value is the benefit of eating healthy this year, enjoying delicious, high quality summer-time tasting fruit and veggies and improving the health of you and your entire family; conveniently brought to you at work each week. Plus, not only are you eating more of some of the best food around, fruit & veggies, but in the best way possible, without all of the chemicals & pesticides of conventional produce. And don't think it stops there. We deliver produce all year round and will continue to provide you boxes of healthy, delicious produce after the three month produce resolution ends. (There is a one-time lump sum payment at the beginning for the three month produce resolution. After that, payments are weekly).

Our Story:

Hi my name is Jim and along with my wife Paula and her sister Luanne we make up half of Garden to Doorstep Organics. The other and more important half are Paula and my ten children (we just had twin boys). Our children's health is our top priority and feeding them healthy nutritious food is key. Three and a half years ago Paula had a vision to be able to help others feed their families healthy organic produce like we fed our children. She wanted to create an easy convenient way for people to be able to receive produce that was free of chemicals and GMO's. Thus started GTDO. We started out small and hung flyers door to door. The first week we had 37 orders, several of which are still our customers today. We have now grown to three delivery drivers delivering several days a week. Even though we have grown, our mission is still the same. We want to provide the most convenient way possible for you to receive healthy nutritious produce for you to feed your families along with impeccable customer service and fantastic quality. We are huge animal lovers at GTDO and would love to throw a treat in your box for your furry friends. Thank you so much for sharing in our passion and we cannot wait to bring you a box.

Why Organic?

- Pesticides are linked to many diseases & illnesses (Parkinson's, some cancers, learning disabilities, ADHD & more)
- Pesticides are harming the environment, killing insects & animals & polluting the air & water.
- Organic farms use less energy & fewer water resources.
- Pesticide free produce simply tastes better – give it a try.

Here is an overview of our program:

- **HUGE CONVENIENCE!!**
 - Each week there is a different variety of 100% delicious organic produce.
 - Two types of boxes (Fruit/Veg Combo boxes or Fruit only boxes)
 - Three sizes of each type of box (You pick the size that best fits your family).
 - Each week you will know which produce is planned for your box. No surprises. You will also receive a newsletter each week with great recipes using the produce in that box, a tip on how to store each item & other information.
 - For the Three Month Produce Resolution, you receive a box each week. After that, if you need off for any reason we will suspend your account for that week and you will not receive a box and will not be charged.
 - **Add-ons.** Shop with us each week. We have a new feature where we offer many different items that you can add to your box. Simply buy them on our website (Or, if you pay by cash or check, email us the items you would like to add). We will then add them to your box & save you the trip to the store. The items will of course be 100% organic & will all be of our high quality standards. How convenient and delicious! Add don't forget, with the Three Month Produce Resolution, you receive a free \$5.00 coupon per month to shop our website & spend the \$5.00 on your choice of add-on item.
 - We work with local farmers and wholesalers to bring you awesome organic produce year round.
 - You can pay with automatic payments through PayPal, by check or with cash.

Please contact us if you have any questions (920) 385-3253

Spring has sprung.

Enjoy all of the delicious tastes of the season brought conveniently to you at work (or home if you do not work on campus during the summer)!

Garden to Doorstep Organics will be here

Thursday, 5-17-18

From 11:30 a.m. to 12:30 p.m.

in the University Union

Please stop in anytime between 11:30 a.m. to 12:30 p.m. They will bring a box to display so you can see in person what the boxes are like, provide information about their program & answer any questions you may have.

They will also raffle off the box of produce so don't forget to stop by and enter the drawing.

To receive fresh organic produce delivered right to you at work all year round, please sign up

by Tuesday, 5-22-18 by clicking on one of the links on the next page.

Also, if you do not work on campus during the summer, don't worry. They will deliver boxes to your home for free in the summer if you are not on campus (as long as you live within their delivery area), so don't be afraid to take advantage of their 3 month resolution promotion.

Thank you and be sure to stop by University Union on Thursday, 5-17-18 to check it out!

There are 2 ways to join:

To take advantage of the 3 month resolution promotion (where payment for the first 3 months is due up front & you receive a free fruit bowl, \$5 of free add-on items per month for the first 3 months & your 13th box is free), click on this link:

[Click HERE to receive produce through the three month resolution promotion](#)

To join the regular program right away where payment is weekly (but you do **NOT** receive the free fruit bowl, \$5 of free add-ons per month and the free 13th box), click on this link:

[Click HERE to receive produce through the regular weekly program \(weekly payments\)](#)

Thank you & we hope that we can serve you.

Your boxes will be delivered on Tuesdays with the first one delivered on 5-29-18.
