

Well Wisconsin

Registering for an on-site screening or home test kit

Log on to webmdhealth.com/wellwisconsin and click “Get Started” on the Biometric Screening card, then “Click Here” under your preferred screening option

Biometric Screenings

Making the choice to get a biometric screening is a great way to get a snapshot of your current health status.

Your biometric screening results must be submitted by **October 8th, 2021** to receive credit toward the Health Check activity. To learn about alternative options for completing the health check activity, navigate to [Rewards](#).

There are three options to complete a biometric screening:

On-Site Health Screening: WebMD has partnered with Quest Diagnostics to provide onsite health screenings available at employer locations around the state, at no charge to you. You'll generally be in and out in 20 minutes or less, and results will be automatically uploaded to your WebMD account in approximately 10 business days.

[Click here to register.](#) Search by zip code to find a screening event near you.

Don't see a health screening event at your location? Ask your employer about scheduling an onsite health screening.

Home Test Kit: WebMD has partnered with Quest Diagnostics to provide an at home screening option at no charge to you. Your results will be automatically uploaded to your WebMD account in approximately 10 business days.

[Click here to request a home test kit.](#) Select the "Order Materials" option to request your kit.

Kits must be requested no later than September 24, 2021 and returned to Quest using the instructions enclosed in the kit no later than October 8, 2021.

Health Care Provider Form: If you already see your health care provider regularly and are up to date with your preventive care, complete and submit the Health Care Provider Form. Read the cover letter closely and confirm with your healthcare and health insurance provider prior to the appointment if out of pocket costs will apply.

To download and print your form, [click here](#).

Submit your completed Health Care Provider Form using one of the following methods:

- Mail: Total Wellness, Attn: Data Team, 9320 H Court, Omaha, NE 68127
- Fax: 402-939-0604
- Secure Upload: <https://www.totalwellnesshealth.com/gravity-landing/wellwi/>

Why should you participate?

The Well Wisconsin Program and StayWell have partnered with Quest Diagnostics Health and Wellness services to provide you with convenient on-site health screening options. Know your numbers - the health screening will evaluate your biometric measures such as Body Mass Index (BMI), blood pressure, cholesterol and glucose to help identify early warning signs of health risks and prevent potential diseases.

Wellness Screening

To get started, select an appointment method below.

At an Onsite Event

Attend a wellness event at work or a location designated by your organization.

[Make an Appointment ▶](#)

Well Wisconsin

Registering for an on-site screening

The participant's home zip code will populate.

The Zip Code field can be updated to search for other events.

Once zip code is typed, click "Search."

You can scroll the "Search Results" to view all the available locations. Click "Continue" once you have selected a location.

The screenshot displays the 'Location' selection interface. On the left is a Google Map of Madison, WI, with several red location pins. On the right is a search panel. At the top, the 'Zip Code' field is populated with '53716'. Below this are 'Search' and 'Use Your Location' buttons. A 'Search Results "53716"' list is shown, containing three entries, each with a 'Select' button:

- Department of Administration - Open to all eligible for the Well Wisconsin
101 East Wilson Street
Madison, WI 53703
- WI Tech College System Office- Open to all eligible for the Well WI Program
4622 University Ave
Madison, WI 53707
- DHS: Central Office-Open to all eligible for the Well Wisconsin

At the bottom of the search panel are 'Continue' and 'Cancel' buttons.
