

PSYCH 102 – Introduction to Psychology

This course transfers to nearly all public and private colleges and universities, both in-state and out-of-state.

- [Transferology](#) is a tool used by colleges and universities that allows students to see how courses transfer between in-state, out of state, public, and private institutions.
 - Note: Not all schools are in Transferology
 - Note: Students need to create a (free) account to use Transferology

- The table below outlines how this course transfers to other schools in the UW System:
