How to... Emergency Grant student Instructions

Student Information Section:

****Please make sure to have your current contact information updated in Student Information Systems (SIS)**

Step 1: To create a new application for the grant: [<New Application>](#)

To resume filling out a grant application you have previously saved: [<Update Application>](#) When you log in, you will see a Task List where you can open your application and continue working where you left off.

Step 2: Login using your Student Credentials

Mobile View:

Desktop:

The mobile view of the login page shows the University of Wisconsin - Green Bay logo at the top. Below the logo is the text "Sign in with your organizational account". There are two input fields: one for the email address (pre-filled with "someone@example.com") and one for the password. A green "Sign in" button is located below the password field. At the bottom, there is a disclaimer about the system's ownership and acceptable use policy, with a link to the policy page.

The desktop view of the login page features a large background image of the university campus. Overlaid on the right side is a white login box. The box contains the University of Wisconsin - Green Bay logo, the text "Sign in with your organizational account", and two input fields for email and password. A green "Sign in" button is positioned below the password field. A disclaimer about the system's ownership and acceptable use policy is located at the bottom of the login box.
