**Form Fields – General Information Page**

A. What are you trying to procure? – Select either **Purchasing Good** or **Purchasing Service**. A good is a physical item. Nonphysical items are a service. Ex. A speaker presentation is a service whereas lab equipment is a good. Note: A software purchase would be considered a good, a software renewal would be a service.

B. What is the estimated value of the purchase? – Choose value.

C. Is there competition (more than one supplier in this marketspace)? – Click yes if any competition exists, click no if the item/service can only be provided by one specific supplier. Examples: There are several catering options in town, even though only Chartwells is allowed on campus, the answer is yes. A speaker might be the only one to provide that particular speech, but if other speakers provide a similar topic, the answer would be yes.
   a. If the item/service is on a state contact then select yes.
   b. The answer is no if:
      i. The features/abilities of this good/service are unmatched and superior to other similar products/services
ii. This good/service is only available from one supplier and no other similar items are available.

iii. A grant award requires the purchase of a particular brand name good/service.

iv. When a product has historic, artistic, or educational value, and/or viable specifications or standards cannot be determined.

c. If the answer is no, go to https://www.uwgb.edu/purchasing/forms/ and click on Request for Single/Sole Source Purchase fill out the form and email to purchasing@uwgb.edu prior to continuing the requisition. Attach the PDF of the approved waiver to the Waiver of Bidding section.

D. Is the supplier a state/federal agency? – Select yes if they are a state or federal department. Example: another UW campus, Wisconsin Department of Administration. Private sector companies that have contracts with the state are not state agencies.

E. Do these goods or services require a payment at time of order placement (a prepayment, deposit, or cash with order)? – No is the most common answer, if yes email accountspayable@uwgb.edu prior to submission with the amount of the prepayment and date requested. Prepayments should be submitted no later than one week in advance. Select Yes for checks due the date of service.

F. If this supplier is on contract, please provide the contract number: Optional, if known enter state contract number.

G. Read the statement and check box for I have provided the relevant documents or no documentation is required.
