<tbody>
<tr>
<td>University Owned</td>
<td>Only employees, agents, and students are allowed to ride in University-owned vehicles.</td>
<td>Personal use of a University Fleet Vehicle is not allowed. Substantial or unreasonable personal use of a University vehicle while on UWGB business may result in a decision that a driver was operating outside of their scope of employment or agency.</td>
<td>Authorized driver. Passengers who are not employees or agents must have approval from the Risk Manager.</td>
<td>Accidents outside the scope of employment means the state’s insurance program could determine the accident was not covered by insurance. Coverage Exception: passengers who are not employees, agents or students allowed when transportation is necessary or convenient for individuals who are dealing directly with, or involved in, University business.</td>
</tr>
<tr>
<td>Commercial Motor Vehicle</td>
<td></td>
<td>Authorized Drivers must be in compliance with the current Commercial Driver’s License Program Wisconsin Commercial Driver’s License</td>
<td>Authorized driver.</td>
<td>Most participants are students or other adults, which does mitigate some liability for the University, but does not insulate the University from all claims of damage or injury.</td>
</tr>
<tr>
<td>Group Transportation (Bus)</td>
<td>A Field Trip or other Off-Campus Trip may require use of ground transportation and creates a “duty of care” to participants. Faculty or administrative sponsor are required to supervise and be responsible for ensuring the participants are safely transported, properly supervised during the event and returned to the point of departure.</td>
<td>Transportation should begin and end on campus. Transportation not provided by the University requires participants to convene at a site off campus.</td>
<td>Authorized driver. Bus transportation must be requested via approved purchasing contracts with these providers: Coach Bus Rental School Bus Rental</td>
<td>Most participants are students or other adults, which does mitigate some liability for the University, but does not insulate the University from all claims of damage or injury. Transportation not provided by the University: Individual participants will be personally liable for transportation to/from/during events when the University does not provide for transportation. In these instances, faculty or staff should not be involved in planning or supervising the travel arrangements of individuals.</td>
</tr>
<tr>
<td>Passenger Van</td>
<td>Specific driver authorization and training is required for any individual requesting to drive a State or University 12/15 passenger van. For training, contact Jodi Kazik to coordinate review of the training video and applicable test that is conducted at the Athletic Department in the Kress Center.</td>
<td>Towing not allowed Rental requires individual to demonstrate proof of van driver certification and a university issued wallet card certification</td>
<td>Authorized Driver and Must be 25-years of age or older Completion of van-training program recorded with Risk Management Abstinence from use of drugs or alcohol</td>
<td>A Damage Waiver and Additional Liability insurance must be purchased prior to renting.</td>
</tr>
<tr>
<td>Trailering &amp; Towing</td>
<td>Not recommended unless necessary for University business.</td>
<td>Only the approved State rental car vendor shall be used.</td>
<td>Authorized Driver and trained in trailering and towing.</td>
<td>Damage waiver is required for any rental car vendor that is not on the approved Big Ten Alliance contract.</td>

</table>
| Personal Vehicle | Allowed when the use is the most cost-effective means of transportation. Approving authority must consider other options, i.e. rental, business car share. Personal use of a University Fleet Vehicle or Rental car is not allowed. Commuter miles are considered personal use. Must always travel the most direct route. MapQuest and Google are the official tools used for determining the most direct route. Any deviation must be explained on the expense report. | ▪ User must have a valid driver’s license  
▪ Driver authorization on file with the US System  
▪ Be in compliance with any restrictions associated with their driver’s license  
▪ Confirm with personal insurance carrier coverage requirements prior to using personal vehicle for University business  
▪ Consult with budget authority to confirm and authorize use of personal vehicle for University business and whether user will be eligible for the IRS rate or the “turn down rate” for mileage reimbursement. Limits may be placed on the overall trip expenses to be reimbursed.  
▪ Vehicle must be in good mechanical condition (brakes, signal lights, lights)  
**Mileage Reimbursement:** User does not receive gas, insurance, service, maintenance, or depreciation reimbursement, only the mileage. For additional information on personal vehicle use and mileage reimbursement, see UW System Use of Personal Vehicles, Rental Cars and Fleet for Business Transportation. For current IRS rates and questions see Controller’s webpage for Mileage Reimbursement Rate. | Authorized Driver.  
No restrictions for passengers.  
Only the driver is eligible to claim the mileage reimbursement, not the passenger. | Not allowed for use in transporting students.  
The State will only provide excess liability coverage to drivers if using their personal vehicle on University business.  
User’s personal auto liability insurance will provide the primary insurance coverage for any loss and be primary to the State’s coverage, and must have limits of at least $100,000 per person $300,000 per occurrence $50,000 property coverage |
| Rental Vehicle | Allowed when the use is the most cost-effective means of transportation. Use of a contracted rental vehicle supplier is required. Personal use of a Rental Car is not allowed. Reservations: Use UWGB Big Ten Alliance contract with either Enterprise or National Car Rental. Reservations may be made using the Travel Wise login for which access is required. This enables the contract booking ID to be automatically applied under contract. | Use University Purchasing Cards approved for travel. Vehicle Size: Compact, standard, intermediate vehicle classes unless business needs require a larger class.  
**Reimbursement:** Rental agreement, receipt, and fuel receipts required for reimbursement. Rental reimbursement is limited to amount directly related to UWGB business. If traveler opts for a weekly rate because total cost is less than the daily rate for the same number of business days, the weekly rate amount will be reimbursed. If rental is extended for personal reasons, the weekly rate is pro-rated and only the amount directly related to UWGB business is reimbursed.  
**Refueling:** Drivers responsible for refueling prior to return. UW System does not reimburse vendor refueling or prepay fuel packages at pickup. Receipts for gas are required to support reimbursement claims. | Authorized Drivers 18 and over.  
Authorized Drivers 18-20 are restricted to domestic rentals only.  
Passengers who are not employees or agents must have approval from the Risk Manager.  
Passengers must be authorized by risk management under all other State vehicle rental/leasing contracts. | Collision (CDW) and liability (LDW) are covered under our Big Ten Alliance contract for U.S. originating rentals. Employee must verify the Contract ID number is referenced on the rental agreement. Other or extra types of insurances are not reimbursable and must be declined.  
**If rental is outside the contracted carrier, collision and liability insurance must be purchased.**  
Other insurances are not reimbursable and must be declined.  
Claims for reimbursement beyond standard/intermediate vehicle classes must be explained on the expense report. |

**Rental Company Quotes:** Rental company quotes per UW procurement rules for expenditures over $5,000 prior to finalizing reservations. Additional insurance must be purchased (see Coverage section).
