   a. Campus Leadership Update (Provost Alexander)

      Congratulatory wishes were given to Provost. He shared his pride with all of campus during the move to alternative delivery and the efforts to keep campus safe. the University is supporting community and Brown, Manitowoc, Sheboygan and Marinette Counties. GB is positioned well currently but if disruption progresses, he is unsure how this will affect budgetarily. Campus needs to meet students halfway especially at a time when it is estimated that 20% of college campuses may not recover. Expecting some amount of GPR reduction due to shortfall in collection of state income taxes. Provost asks that all campus energy be put into retaining and recruiting going into Fall 2020 working as a cohesive four campus unit without diverseness to support the academic enterprise. Lastly, Provost prefers to be called Mike now and moving forward. Mike hopes to have an answer as to the filling of the interim provost position by the week of the 13th
