## Approved Minutes

- Approved 7/25/13 meeting minutes

## Committee Updates *(CWC, System Reps)*

- None to report at this time

## New Business

The Academic Staff Committee voted to approve the funding request sent forth from the Academic Staff Allocations Committee for Andrew Meyer. The academic staff committee unanimously approved this **exception** on the basis the employee submitted his proposal in time; it was just the committees inability to review within the constraints of summer schedules & timelines that afforded the delay.

## Other

- The survey (*in which the intent is to gather data on obstacles when progressing academic staff employees*) is viewable and ready for edits before sending out in early September.

*Adjourned- 1:52 pm*

*Respectfully Submitted by Mary Simonsen*
