Personnel Practices

The review of UW-System Operational Policies for University Staff is continuing so that implementation may occur on July 1, 2015.

The Academic Staff have approved some changes in the performance evaluation process, simplifying the rating scale, and including discussion of career progression and inclusivity in the process.

Governance Structures and Policies

Both the Faculty and the Academic Staff have approved changes to joint governance committees (Committee on Workload and Compensation, Committee on Legislative Affairs, Learning Technology Collaborative Committee, and Awards and Recognition) to allow representatives from the University Staff.
