Top Priorities:

1. Diversify Modes of Course and Program Delivery and Student Engagement
2. Develop competency-based admission to select programs
3. Develop competency-based programs and certificates
4. Develop accelerated-format courses and programs, such as 3-year degree programs
5. Significantly expand High-Impact Practices
6. Continue to invest in First-Year Seminar and GPS programs
7. Increase number of online degrees
 - Grow online Psychology program
 - Develop a General Humanities online degree or certificate
 - Implement an online or alternative delivery Public and Environmental Affairs degree
 - Explore offering a Creative Writing degree/emphasis entirely online
8. Provide access to education through alternative modes of delivery, including
 - Evening and weekend classes.
 - Online classes
 - Accelerated course formats – BSN Completion will pilot 7-week courses in 2020
9. Employ CATL to develop successful, sustainable, and pedagogically sound courses and programs
10. Invest in the technological infrastructure necessary to support a robust online learning environment.
11. Launch IMPACT MBA
12. Launch MS in Nutrition and Integrated Health
13. Launch MS in Sports, Exercise, and Performance Psychology
14. Launch MS in Applied Biotechnology
15. Establish and expand MA in Arts & Cultural Management
16. Explore creation of a 4+1 or 3+2 BFA/MA in "Editing and Publishing"
17. Explore an MS in in Public Administration or Master's in Public Policy program
18. Explore an MS in Engineering or Engineering Management
19. Explore expansion of Master of Social Work to Wausau in partnership with UW-Stevens Point
