

University of Wisconsin-Green Bay

You are cordially invited to attend the 13th Annual UW-Green Bay

Community Fair

A Showcase of Community Resources, Services and Retailers for UW-Green Bay students

Wednesday, September 8, 2021 10AM-1PM

University Union Phoenix Rooms

The University of Wisconsin-Green Bay is inviting select area businesses, retailers and non-profit volunteer agencies to campus to promote their services and products to students. The Community Fair will be held in a high-traffic area of the campus during the first week of classes, and we invite YOU to be a part of this effort to connect our students with the greater Green Bay community. This is not a job fair, an internship fair, or a member recruitment fair. It is a chance for you—a key sector of the Green Bay community—to reach out and showcase what you have to offer to UW-Green Bay students. You may distribute informational brochures, coupons, small advertising, and other creative items to raise students' awareness of your offerings. We hope you can join us and help our students get connected! You will receive a confirmation letter from us within 2 weeks of receiving your fair registration and payment if deemed necessary. Due to Covid concerns the number of booth spaces will be limited.
