MASON JAR Decorating

Materials:
- Mason Jar
- Clear, liquid glue
- Food coloring
- Paint brush or sponge brush
- Small cup or bowl
- Tealight (battery operated or real)

Directions:
In a small cup or bowl, mix together a couple tablespoons of clear glue and 1-2 drops of food coloring, depending on how much tint you desire.

Use your brush to thinly coat the inside of the mason jar with glue mixture. Repeat as necessary to achieve desired look.

Let dry at least 3 hours or overnight before adding the cap back on or putting a tealight inside. Enjoy your new decoration!
