

Train-the-Trainer Digital Badges

The Wisconsin Caregiver Academy offers Digital Badges for completing each state-approved Train-the-Trainer course. Badges are a sophisticated way to share verified credentials digitally. Badges demonstrate mastery of skills, acquisition of knowledge or marks of experience in the same way as a diploma represents a degree.

Badges are a quick and easy way to **share verified knowledge and expertise** to employers and colleagues.

Badges empower earners with **24/7 digital access** on resumes, websites, social media and email signatures.

Badges provide a **competitive edge** and a way to differentiate from other candidates.

What's Inside

Each badge is embedded with evidence of where, when, how and why it was earned, which allows the badges to serve as 100% authenticated digital certificates.
