Hello Summer Potters! I look forward to exploring the exciting medium of clay and fire with you. Please bring a sketchpad or drawing paper to class. You may want to do some sketches of forms you would like to try wheel throwing or hand building. You can also bring photos or magazine clippings of forms you find exciting and want to explore in the clay studio.

Be sure to wear clothing that is comfortable and lose fitting for working on the wheel and bring hair ties or bandanas as needed. You will need long jean or heavy cotton pants, a cotton long sleeve shirt, shoes, and socks for Thursday and Friday when we Raku fire. Hand lotion may also be desired.

Eye protection, gloves, and ceramics tools will be provided.

Please bring these additional recycled or used items: ½ gallon or 1 gallon Ice Cream Bucket and a small sponge.
