Mosaic Supply List

Hello!

The majority of supplies will be provided for the mosaic class.

Please bring the following to your mosaic experience:

gardening gloves (or a thicker pair of gloves that protects fingers while allowing movement),

a set of small containers (a muffin pan works great too),

a large ice cream bucket,

3 sponges (kitchen or cleaning sponges are fine), and a dish towel for cleaning up grout (one that is ok to get dirty and ruined).

*Students are also advised to bring a set of clothes that are ok to get dirty and stained for the grouting day.*
