VI. Reports

a) President:

- **Karime:** I keep getting asked when we will be getting out. This meeting's purpose is to have a meaningful dissuasion and to advocate for our student body. Please come in with a mindset for how soon we can get out but what can we do. We are not trying to keep you here longer; we are here to serve again. As we are here, we have the highest role to advocate for our student body. It is a strong and growing one, may I say that. So, I ask you all to remember why you joined student government. I know times are stressful and you all have other commitments, but

so do I. Remember that reason when you come here. Here is my report. I met with Caden and Shaun for our 1 on 1 on Friday. We had a great conversation, and it went on for longer than 30 minutes, that was fun. We went over some things going on. I also attended the Manitowoc and Sheboygan SGA meetings virtually. The Sheboygan campus is doing a lot of things and so is the Manitowoc campus. I am proud of them for continuing to keep pushing for the students. I do have a UC meeting this Wednesday. I had a UC meeting last week and we discussed the usual things

- **Radwa:** What is UC
- **Karime:** University Committees. So, I talked about the honors cords that we had last week with the senate. Kinda gave them what our perspective was going to say. Shared Gorence is going to be November 22nd, and it is going to be a virtual meeting. If you are interested in registering, then please let me know so I can send you the link. You need to register by November 18th. I am going to try and get us a room so we can all be together. I will not be in the room because I must chair the meetings. I will be in my office. The election is tomorrow. I will be here all day. If I am not in my office I will be in class. If you need me or have anxiety, please call, or text me. You all have my phone number. If you do not have my phone number, it is on my door. Please call, text, Snapchat, or email me.

b) Vice President:

- **Tanisha:** 1. Voting - party to the polls went well; I sat in the polling place all day today and it seemed to go well.

2. Chartwells - they called me last week to set up biweekly meetings. Will be meeting with them and working on actually addressing student concerns directly instead of through Matt
3. A+C fee - meeting with Kayla and Kelli this week or iron out details for bylaws
4. H+S chair - have two interviews this week
5. I will be sitting on a few committees the next two weeks and will report back and talking points
6. Have a follow up meeting with Mark on ways to get more students to civically engage.
7. Parking meeting with the police will be NOVEMBER 15th

c) Speaker of the Senate:

- **Lorendy:** Hello everyone, I am Lorendy. I am the Speaker of the Senate. This week I have been working on one-on-ones with the Senators. I have two interviews planned for this week so we will see how they go. I have been in contact with the wellness center regarding coming in with the senate meeting as well. We have not produced any topic, but we are working on it. If you have any ideas, please let me know. Also, the internship draft at Lambo Field is this week on Wednesday from 3 to 5:45pm. The last day to sign up was October 31st.

d) RHAA:

- **Kayla:** Currently we are working on boarding some new members. If anyone is interested RHAA is a great place to talk about your housing concerns all are

welcome. Also, for the people who live on campus, please watch for the cool events that your RMS is putting on.

e) SUFAC:

- **Matthew:** Hello, I am Matthew, and I am the vice chair of SUFAC. This week I have been approving Tendencies forms. We have been the first student org to submit their first budget which was awesome. I have been working with some other organs with some questions that they have. I know the MSA will be present at our meeting on Thursday.

f) Location Campuses:

- **Caden:** Last Friday I had a wonderful time visiting the Manitowoc meeting. It was great and I should have been there weeks ago. It went great with Sheboygan and not so great with Manitowoc. Manitowoc got their funding cut. I have had a meeting with the head of the Rec and Phoenix to promote the program in Manitowoc and speak to them. I am having more issues with the Sheboygan vending company, and I am still looking into that. This Wednesday I am holding a town hall in Sheboygan to gather some questions for the Chancellor. He will be meeting with the Manitowoc and Sheboygan for a Q&A session. I want to gather some questions that the students want to know/ be answered.

g) Advisors:

- **Katie:** Hello, I am Katie. I do not have much to talk about. It is a spirit week. Hopefully, you stopped by the back sale. The first-year students have their color

group tonight. Tomorrow is Pajama Day. Wednesday is mid-western day Thursday is Meme Day and Friday is Spirit Day to show off your UWGB pride. I need to produce an idea. Krash the Kress is Friday.

- **Lucas B:** I am going home
- **Katie:** Tailgate is 4 to 6 and the game is at 6.
- **Adam: Senat** meeting is great for people to come in. It is great to see Guess come in a chat with us. It is good for your Learsons to come in and talk about stuff from the senate, that would be great. I know last week Tanisha gave in to what she has been doing during the election for Tuesday. Please let us know if you hear anything.

VII. New Business

a) Discussion on accountability

- **Karime:** This sounds scary, but it is not. I have noticed that when SGA plans events. We only notice that three people show up. I want to discuss how I can be better. I want to know what I can do for you all to show up but also for Senators to come. I want them to see us. I know they know we are here because they see us. We give out candy or flowers. I want to open the floor up to how we can get better at having you all show up to events.
- **Radwa:** I was excited about Tea and Talk but the last couple of weeks I have been busy. You are doing your part in it. I think I must open my schedule up and try to prioritize other stuff and not overwork myself. I apologize for not going
- **Kayla:** I do not think it is us who needs to. Wednesday is my busy day, and I still

manage to go to it. I do think people need to step up. Take control and play their part.

- **Nathan:** I believe. It starts at 4 pm so have it starts at 4. I had 6 people come to the first event and they were there for 10 minutes and then left.
- **Karime:** That was poor time management on our part. Can we bounce back on ideas for Talk and Tea
- **Radwa:** Did you submit it to housing? I talked to my residents about the poster, and they let me know that they do look at the posters.
- **Matthew:** What have we done to promote it
- **Karime:** I put it on phoenix connect and made it an evolving poster. I promote it and talk with the students. I put it on social media and a poster for the first one. I want to make the 11 by 7 posters.
- **Radwa:** I learned that the workshop. The best way to get them to come is to talk to them. Talking to them and telling them so they feel like they are invited to the event. If we make it personal if you make it home
- **Karime:** Can I tell you about this Wednesday for someone to come to it. Hope that they show up.

b) Krash the Kress/Pie an Athlete

- **Karime:** Krash the Kress is on Friday. I encourage you to go and wear your nametag. If you come with me, you get the ticket in the actability and there is a lot of lag room. We will be going to the tailgate. We can all go together. It is also the

national first-gen week. Congratulate them because they are here and changing their dream. Please come and invite your friends. Pie and athlete are Thursday, and it was being final on Friday. 12 to 2 if you can help, please talk to me after the meeting. I will be there. I would appreciate your help. Tanisha and I agreed to get pie at the last bit of it. Also, if you pie me, please be careful because I have an event that day.

- **Radwa:** What time do you want us there?
- **Karime:** 11 to 11:30. \$1.00 per pie. Cash only. \$5.00 to pie me but I will be fair \$1.00
- **Moises:** Will there be anyone else who is going to be pied?
- **Nathan:** Yes.
- **Radwa:** If I give \$20.00 then can I pie them 20 times?
- **Karime:** Yes.
- **Nathan:** I talked with Kassie, and she is trying to get Douge to do it, and Josh Moon may be out there.
- **Radwa:** Who is Josh Moon?
- **Nathan:** Athletic director

c) Election discussion

- **Karime:** The election is tomorrow. I have a lot of anxiety about it. I will be in my office. I am going to bring snacks and candy. I will also have coloring sheets for everyone. If you do anything concerning here, please tell us. Tomorrow is going to

be crazy.

- **Radwa:** IF you vote from the Kress, what time does it open?
- **Matthew:** 7am to 8pm
- **Moises:** What if we cannot contact you who do I contact then?
- **Katie:** Depending on the issue. Deans of Students or the polling people

d) Team Bonding with Adam and Katie

- **Katie:** We are going to move the inside of the square. So, the game is beachball tause. Your objective is to hit the ball 100 times as a group without letting it fall. Rules: each person needs to hit it 5 times and you cannot hit it more than once.
- **Kayla:** We can make two lines and go back and forth.
- **Karime:** 5 on one side and 5 on the other side. Get into a line.
- **Kayla:** light taps
- **Radwa:** each person hit it back and forth 10 times.
- **Katie:** Let us talk about the process and how we work as a group to solve them?
- **Matthew:** We formed two lines
- **Derek:** We stargazed
- **Katie:** How did you stargaze?
- **Derek:** Forming two lines
- **Nathan:** Trial and Error
- **Katie:** Yes, there was some trial and error.
- **Radwa:** We heard everyone out. Changes things up and not keep doing everything

that went wrong.

- **Katie:** Idea sharing. You listen to people's ideas.
- **Moisis:** I had to adjust my strength. I was hitting it too hard.

- **Kayla:** collaboration
- **Nathan:** problems people are facing
- **Matthew:** Budget
- **Radwa:** students conserve.
- **Katie:** working together. What works.
- **Radwa:** Ideas or what people think. Hearing from people I do not talk to or normally would ask for help.
- **Katie:** Sharing their ideas. Collaboration on what they want
- **Lucas:** It shows them how to solve a problem. When it was missing someone tried to help.
- **Katie:** We have some Vangent positions. Some took leadership, others listened. You did not let them fail. You all stepped in to help.
- **Adam:** what emotions did you feel?
- **Radwa:** I had faith that it was going to work. We could get it the 1st 2nd or 3rd but I kept telling myself we could do it.
- **Caden:** We were working better as a team. They were supporting each other. It was

stressful and I was cheering you on.

- **Shaun:** I thought it was nice to watched but was glad when you finished it
- **Adam:** If things get dropped its nice to thing. November is the longest month. As we slow. Working together as a team. November is the longest month because we have not had a break yet. Keep an eye on each other as we get closer to fall break.
- **Karime:** I am so proud of us. I like the fact that you are helping each other. Communicating with each other. Derek?
- **Derek:** yes, it was good
- **Karime:** Everyone says thank you to Adam and Katie.

VIII. Standing Committee Reports

a) Academic Affairs

b) Arts and Performance

- **Kayla:** I am counting on the Bylaws for the Arts and Culture. There have been some bumps on the way. I am counting on working on future things. I only have 40 days. Kelly and I had to pull a SUFAC presentation, but we needed to get it to SUFAC. It was interesting. Last week I attended the Oscar Youth event, and it was interesting. He and other artists talk about it. Some even grown up in Green Bay. He talked about how theater is part of democracy. It put a lot into prospective for me.

c) Environmental Affairs

- **Derek:** I have been doing some research on trees people want and that we can

plant it phonic park. People want fruit trees. This week Tanisha and I are preparing to SUFAC for the Sustainability fund.

- **Nathan:** Liabilities for growing fruit tress
- **Derek:** I hope not.

d) Equity and Diversity

- **Radwa:** I have been talking with LIT and organizing the presentation. We are focusing on election education things for voting. It gives them information on how to vote, who is on the ballot/ what is on the ballot. I talked with my residents about it. LIT non-partisan partisan. It is a get to know what they are voting for. This is so people will go out and vote. Giving everyone the chance to vote. Without having voices here there would be no equity and diversity

e) Health and Safety

f) Intergovernmental Affairs

- **Moises:** last week I had my Intergovernmental affairs committee. I showed my senator the bylaws I want to know. So, he can get ready for the constitutional review that happens next spring. I heard the end of the Manitowoc campuses, and I want to assist where I can, and I hope to get worked out. I worked along Lucas with backing back packs for the homeless.
