5, To search for sections that do not have the Exempt from Standard Course Eval attribute, follow steps 1-3 above. From the pop-up window, click on Section. Then scroll down to the Attributes Code line and type in !EVAL!!!EXEMPT. Then click Apply. The list of all courses without the attribute will appear. Placing an exclamation mark (!) in front of the search term causes the filter search to return sections that do not have the feature.

The image shows a 'Filter Sections' dialog box with a red header and a white body. At the top, there are tabs for 'Criteria' and 'Codes'. Below the tabs, there is a tree view with 'Course' expanded and 'Section' selected. The 'Section' criteria is expanded to show various input fields: Course Code, Course Key, Override Department Code, Section # (String), Section # (Number), Scheduling Unit, Title/Topic, Title/Topic Source, Credits, Credits Min, Custom Start Date, Custom End Date, Attributes Code, and Enrollment. The 'Attributes Code' field is highlighted in yellow and contains the text '!EVAL!!!EXEMPT'. At the bottom right, there are three buttons: 'Close', 'Clear', and 'Apply'. An orange arrow points to the 'Apply' button.
