Nursing Variable Topic sections (i.e., Nursing 492):

Select the Topic from the drop-down menu.

If a new topic is needed, it should be added to the course in CourseLeaf and sent through the workflow for approval. After the new topic is approved in CourseLeaf, it will be added to the catalog in SIS. After an overnight syncing process to CLSS, the new topic will be available in the drop-down menu.

Edit Section – NURSING 492-9800: Special Topics in Nursing (Green Bay) (SIS ID: 9622; CLSS ID: 1327) Fall 2021, NURSING
