

Nursing Application Video Essay YouTube Upload Guidelines and Instructions

1. Log into your YouTube account
2. Click “your videos” and click the CREATE button where you can upload videos
3. Select the file you want to upload
 - **NOTE:** you should have ONE video with responses to all 3 questions
4. Please title your video “Last Name, First Name, UWGB Nursing Video Essay”
5. You do not need a description
6. Please keep visibility as UNLISTED
 - Unlisted videos cannot be found by search, and are only visible with those whom you share the link (as long as those who have it don’t add it to a public playlist). Your video will only be visible to the selection committee.

You can make your video private or remove it after July 15
