

Search for CNA Trainees

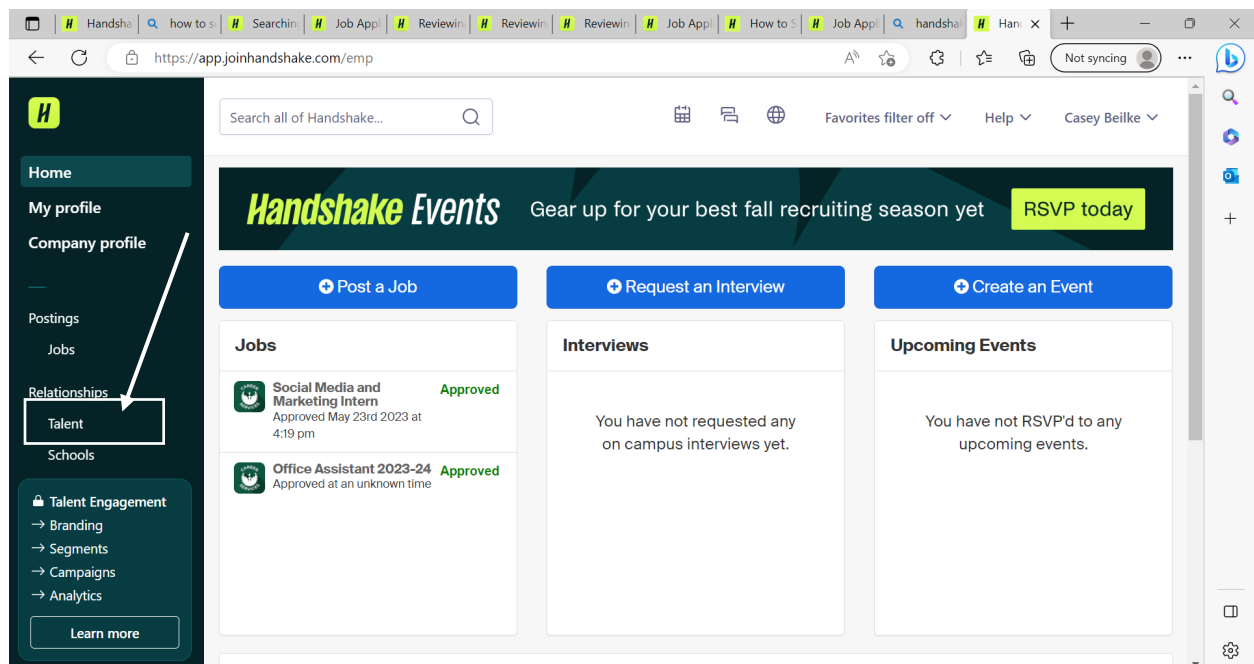

WisCaregiver Connections powered by Handshake

Instructions for setting up your access to our certified nurse aide trainee online job listing and candidate management system.

Before you can search for CNA Trainees, your employer account must be validated by our educational partner, University of Wisconsin – Green Bay. To set up your employer account, please see our instructions.

To access our exclusive database of job seekers interested in becoming CNAs, you must follow the specific search instructions below.

From your Handshake homepage, click on “Talent” on the left-hand side of the screen under the heading “Relationships:”

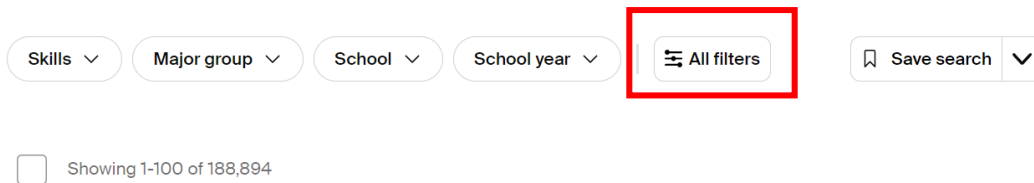

You will be taken to the talent management page. On this page click “All Filters”:

☐ Showing 1-100 of 188,894

You will have two options to search here:

1. You can find trainees in your geographical region or
2. You can search all trainees statewide

Searching CNA Trainees in your **geographical region**:

In the box titled “**Major keywords**,” you will search by your county, or multiple counties near you.

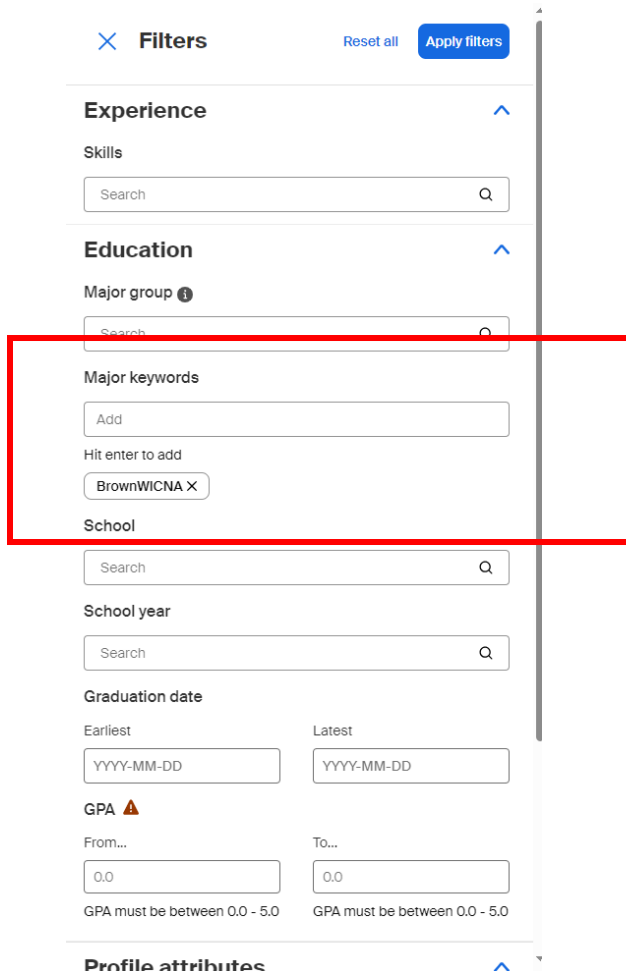

Trainees are categorized with the following formula: CountyNameWICNA. To find a CNA Trainee in Brown County, you would type BrownWICNA and hit “Enter.” Then Click “**Apply filters**”

Note: You can enter as few or as many counties as you would like. There is no limit on your filters.
