General Education Task Force Meeting Notes (04/19/10)

Members of GEC present: Catherine Henze, Georjeanna Wilson-Doenges

The Task Force and GEC members held a joint meeting so that the Task Force could update the GEC on its activities. Unfortunately, most of the GEC members had class conflicts at this time. Catherine Henze attended and had a list of questions prepared by Stefan Hall. The Task Force informed the GEC that its members are currently in the process of developing learning outcomes and models for solicitation of feedback. Once models are developed, the Task Force and GEC will meet again (most likely Fall 2010) for discussion.

Models proposed by Georjeanna Wilson-Doenges and Debbie Furlong were briefly reviewed.

**NEXT MEETING:** Monday, May 17, 2010 at 2:00 PM in the 1965 Room.
